What our clients say

“Dundalk Credit Union is one of Ireland's largest Credit Unions with assets in excess of €170m and twenty four thousand members. We operate in an increasingly complex regulatory and operational environment where the need for a professional, competent independent audit partner is a business critical requirement. UHY Farrelly Dawe White Limited have provided us with an excellent audit service at a very competitive price over the past ten years that has met the ever increasing auditing and reporting requirements of the Board, Members and Central Bank. I would have no hesitation in recommending UHY FDW to any entity that requires a first class audit service.”
